# WHAT WE DO

Innovation in VET for jobs and  
employment

Co-funded by the  
Erasmus+ Programme  
of the European Union

## What we will do:

We are five partner organisations from all over Europe – **Germany, Italy, Iceland, Romania and Spain**. The partnership is composed of partners coming from different countries and their stakeholders, with the synergic power to reach a very large and diverse audience. The project's outcomes are going to be released as OER in **6 different European National languages** with an evident benefit in terms of dissemination and exploitation of the project results. Our goal is to give you, the **trainers or educators**, the right tools to create the **right environment for your students** to thrive both in the classroom, but more importantly, on the **labor market**, after completing your classes

## How it is going to happen:

Realise a **TOOLKIT** for a more effective **ORIENTATION AND GUIDANCE FOR LOW-SKILLED AND MIGRANTS** able to support to identify the useful skills and select the best individual career pathways in accordance with the market and employment real needs.

Develop a series of visual and interactive **BOOKLETS** conceived as **Open Educational Resources** about real market needs such as **Kitchen Help, Gardening and landscape care, Cleaning Services Handicraft and artistic products**.

Release some interesting and practical **VIDEO TUTORIALS CONTAINING** clear and detailed **DIY** instructions to be published in a YouTube project channel.

Produce an **APP for ANDROID** devices to permit access to the training materials also for mobile learners.

Built-up a **NETWORK OF EXPERTS** with a new **PROFESSIONAL PROFILE** limited to project partners' staff as "European Innovative and Practical Trainer for low-skilled and migrants" recognized under the **ECVET** and **EUROPASS** systems

## Our results:

So our main output will be our knowledge. We will try to make it available to as many people as we can.

- We will create a series of guides that we will freely share on all our communication channels, a series of visual and interactive **BOOKLETS** conceived as Open Educational Resources about real market needs such as Kitchen Help, Gardening and landscape care, Cleaning Services, Handicraft and artistic products.
- Release some interesting and practical **VIDEO TUTORIALS CONTAINING** clear and detailed DIY instructions to be published in a YouTube project channel
- An **APP for ANDROID** devices to permit access to the training materials also for mobile learners
